Bakery Café Aperitivo Bar Shop

Our new bar concept has something for every hour of the day.

This is a space where you can slow down. Step back from the city and enjoy an espresso and a croissant, a cold beer, a Negroni, or a refreshing spritz.

Come for a quick lunch with our warm dish of the day or have a coffee break in the afternoon. Have an aperitivo before dinner, or share cocktails with friends in the evening.

Whatever the moment calls for, you'll find it here.

Josef Shop

Sweets you can't stop eating.
Mouth-watering bar snacks that make every sip taste better. The perfect, eye-widening, unexpected gift for that special someone.

All at the Josef Shop.
From light bites and pantry staples to design homeware and Josef Admires Prague, our insider's guide to the city, the Josef Shop has what you didn't know you were looking for.

Chosen by Josef

At Josef, we do things our own way. We select suppliers who do the same. Every item in our shop is made with attention to detail and devotion to quality.

A unique touch

We constantly update our collection of Czech and international products; swing by and see what's new whenever you're in the neighborhood.

Choux

Light, airy, and delicate, choux has a long history, reaching peak popularity at the French court of the 18th century.

At Hotel Josef, we offer both sweet and savory versions of the delicacy that pair perfectly with coffee or wine.

Josef Bread

It took years to get the recipe just right, but in the end, it was worth it: our iconic Josef bread ranks among the best in Prague. Our team of bakers exclusively uses Czech flour and ensures every loaf is of the highest quality.
